Eugenia,

We planned to have Jim Fitzpatrick, Tom Gallagher, Mark Velleux and myself attend the CSM meeting. I will check on their schedules. We did not plan on having Craig Jones attend the CSM meeting. We have budget one trip to Mahwah for Craig, but that was for a working meeting with our Passaic sediment transport team.

Hi Ed,

We should schedule a date for the kick-off meeting. What does your availability look like for the month of November and first 1/2 of Dec? Can you also check what's Craig Jones availability? fyi, Joe Gailani is not available the weeks of Nov 5 and Nov 12.

Who do you foresee joining us from HQI other than you and Tom G? And one last question, do you think it's worth flying Mark Dortch as well to participate in the CSM/EMBM presentation/discussion?

Enjoy your weekend,
eugenia
